THE INDEPENDENT GUIDE
FOR **apple** COMPUTING

A+ is the applications magazine that's written specifically for you and your Apple.

It's monthly "thoughtware" designed to help you expand the functions of your Apple II series, III, Lisa or Macintosh. **A+**

will introduce you to new programs you can use in business, school or

at home... in-depth evaluations

of the latest Apple and compatible hardware, software and peripherals...

innovative applications including database management, telecommunications, and graphics. Plus

you'll get the low-down on the hottest new games, helpful tutorials and tips on programming.
